Take a break if you need to, breathe and take it slow, sit down, and enjoy some comfort desserts.

We are a **small, family-owned local business** that welcomes everyone to enjoy the **excitement, food, and fun times!** Thank you for supporting local businesses!

About Our Green Efforts

At 7th Heaven, we're committed to working towards a greener, sustainable future! We donate coffee grounds to gardeners to boost their soil, and we give our milk bottles and ice cream tubs a second life as vertical planters.

We strive to be as plastic-free as possible and reuse plastic whenever we can. We use eco-friendly takeaway packaging whenever possible and biodegradable cutlery for events, with an option for non-disposable tableware as well.

Plus, we have a mini herb garden where we grow our own garnish and ingredients, adding a fresh, green touch to everything we do!
